Radiology CME
Recent Advances in Liver, Renal & Transplant Imaging

Date: 13th November 2016
Venue: Auditorium, Indraprastha Apollo Hospitals, New Delhi

Organised by:
Department of Radiology, Indraprastha Apollo Hospitals, (IAH) New Delhi

Dear Colleagues,
Department of Radiology, Indraprastha Apollo Hospitals, New Delhi is pleased to announce a CME on ‘Recent Advances in Liver, Renal and Transplant Imaging’ on 13th November 2016 at Auditorium, Indraprastha Apollo Hospitals, New Delhi. The contents of the CME will include recent advances in Liver and Renal imaging with imaging update on Liver and Renal transplant. ‘Transplant Imaging’ has evolved as a sub-speciality in recent times. Imaging-based pre-transplantation donor evaluation, surgical planning and post-transplant surveillance are now integral parts of all organ transplantation programs. Pre-operative imaging of Liver and Kidneys is an essential component of transplant work-up. This CME will be immensely useful for the practicing Radiologists as well as Radiology residents.

We hope to see you all at this academic meeting and hope that the CME will enhance your knowledge on ‘Liver, Renal & Transplant Imaging’.

CME Registration is free, but mandatory.
For Registrations,
Call: 011-26925858(2031)
Emails: radiology_delhi@apollohospitalsdelhi.com

Dr. Veena Chowdhury
Professor & Head-
Dept. of Radiology, IAH

Dr. Nitin P. Ghonge
Consultant & Academic Coordinator-
Dept. of Radiology, IAH

Recent Advances in Liver, Renal & Transplant Imaging
Date: 13th November 2016
Auditorium, Indraprastha Apollo Hospitals, New Delhi.

Recent Advances in Liver, Renal & Transplant Imaging

Date: 13th November 2016
Auditorium, Indraprastha Apollo Hospitals, New Delhi.

Chairperson: Dr. A.S. Arora, Dr. AC. Anand

Patient selection for Liver Transplantation (15 min)
Dr. Sudeep Khanna
Dept. of Gastro-enterology, IAH, New Delhi

Interventional Radiology in Liver and Renal Transplant (20 min)
Dr. Harsh Rastogi
Dept. of Radiology, IAH, New Delhi

Film Reading Session on Liver and Renal Imaging
12:00-1:00 pm

Pre-and Post Renal Transplant - Imaging evaluation (30 min)
Dr. Nitin P. Ghonge
Dept. of Radiology, IAH, New Delhi

Pulmonary complications in Immuno-compromised and post-transplant settings - HRCT evaluation (20 min)
Dr. Ashu Seth Bhalla
Dept. of Radiology, IAMS, New Delhi

3:00-4:00 pm
Quiz on Liver and Renal Imaging

4:00 pm
Vote of Thanks

Chairperson: Dr. Sanjeev Jasuja

Basics of Renal Transplant Surgery (15 min)
Dr. S. N. Mehta
Dept. of Transplant Surgery, IAH, New Delhi

Pre-and Post Renal Transplant - Imaging evaluation (30 min)
Dr. Nitin P. Ghonge
Dept. of Radiology, IAH, New Delhi

Pulmonary complications in Immuno-compromised and post-transplant settings - HRCT evaluation (20 min)
Dr. Ashu Seth Bhalla
Dept. of Radiology, IAMS, New Delhi

3:00-4:00 pm
Quiz on Liver and Renal Imaging

4:00 pm
Vote of Thanks

Chairperson: Dr. Vijaya Rajkumari, Dr. Reeti Sahni

Basics of Liver Transplant Surgery (15 min)
Dr. Subhash Gupta
Centre for Liver and Biliary Surgery, IAH

Pre-transplant Vascular Evaluation (20 min)
Dr. Sandeep Vohra
Dept. of Radiology, IAH, New Delhi

Tea/Coffee Break
10:45-11:00 am

Session 2. Role of Interventional Radiology
Chairperson: Dr. Vijay Rawat, Dr. B.S Gill

Interventional Radiology in Liver and Renal Transplant (20 min)
Dr. Harsh Rastogi
Dept. of Radiology, IAH, New Delhi

CME Registration is free, but mandatory.
